

Our Mission!

We exist to promote health, emotional and spiritual within our community.

- ◆ We do this because Jesus' ministry was a healing ministry.
- and
- ◆ Jesus sent his disciples to preach the gospel and heal the sick.

"Do you not know that your body is a temple of the Holy Spirit, who is in you whom you have received from God? You are not your own: you were bought at a price. Therefore honor God with your body"
