

Gail Olson
Executive Director
CentraCare Transitional Care

CentraCare Hospice

The generosity of the community and our employees has had a profound impact on our hospice program. Every gift directly supports services and programs that touch our hospice patients and families.

These gifts provide music therapy at no cost to the patient, create legacy items through a recordable book or handprint kit, or honor a Veteran at end of life with a ceremony to thank the patient for his/her service.

When families realize that other's generous donations have made these services and programs possible, they are often inspired to pay it forward to another hospice family. I am grateful for this remarkable spirit of giving!

EMPLOYEE CAMPAIGN 2023 Partners in Caring

We appreciate the Hospice Team who provided wonderful care for our dad in his last days. The We Honor Veterans ceremony held the day before he passed meant so much to us. It was especially important to our mom that he be honored for his Navy service. We are forever grateful for the generous gifts that make this program possible. God bless all of you!
